**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who supports broadband competition. When I moved to an area that had access to a local carrier offering fiber service other than the big 2 for broadband (at&t and Comcast) I was extatic. For years I was felt stuck without any real options (slow dsl or expensive cable) but Sonic fiber has been a true breath of fresh air. Please dont take away my freedom to choose a service commodity that is as important to life/work.
